

WOMEN'S STUDIES (WMS)

Course Descriptions

WMS 100. Introduction to Women's Studies. 3 Credit Hours.

This course is an introduction into the field of Women's Studies. Women's issues are explored from a variety of disciplines. An emphasis will be placed on personal experience and its relationship to larger social structures. The focus of this course is to develop a sense of empowerment and critical thinking in students. (Credit is only allowed for either SOC 216 or WMS 100.)

Prerequisites: Reading Proficiency
