

DEAF COMMUNICATION STUDIES: AMERICAN SIGN LANGUAGE, CERTIFICATE OF PROFICIENCY

Florissant Valley and Wildwood

The Certificate of Proficiency in Deaf Communication Studies: American Sign Language teaches introductory and intermediate ASL, the native, indigenous language of the North American Deaf community. Graduates of the ASL Certificate program will be able to carry on extended conversations in ASL on everyday topics, choose conceptually accurate signs to express their thoughts, articulate the signs correctly, order the signs into ASL sentence patterns, and receptively comprehend ASL at an equivalent level. The ASL Certificate is ideal for hearing people who have Deaf family members, friends, or co-workers, for those who serve Deaf clients, for Deaf individuals who want to learn to communicate in sign language, and for students who need to learn ASL before enrolling in the Interpreter Education Program.
