	<b>Total Credit Hours</b>	<b>7</b>		

**Critical Courses:** Critical courses are most important to a student's declared major and most strongly predict later success in the major. A critical course requires a minimal grade to progress to higher-level courses.

**Gateway Courses:** Gateway courses are courses in many career pathways that must be completed before progression in higher-level courses. These may be the same as critical and/or exploratory courses.

**Exploratory Courses:** Exploratory courses are first-semester courses that introduce the program and career field.
