

# RESPIRATORY CARE: AAS

Associate in Applied Science | 70 credit hours minimum

## Area of Interest: Health Professions

Program Website (<https://stlcc.edu/programs-academics/pathways/health-professions/respiratory-care/associates.aspx>)

Academic Advising (<https://stlcc.edu/admissions/advising/>)

## Program Description: Forest Park

This program prepares students for positions as respiratory therapists. Students learn to evaluate, treat, and manage patients with cardiopulmonary disorders in a variety of settings. Persons interested in the program should be team-oriented, compassionate individuals who derive satisfaction from helping others in time of need. They also should be able to tolerate moderate physical activity and long hours of standing, and work effectively under stress.

Graduates are eligible to take the Therapist Multiple Choice and Clinical Simulation examinations offered through the National Board for Respiratory Care (<http://www.nbrc.org>) in order to obtain the Registered Respiratory Therapy (RRT) credential. Employment is available through hospitals, clinics, home care agencies, rehabilitation centers, education, and medical equipment sales.

The program includes courses in natural sciences, humanities, and respiratory care, in addition to clinical practice at area health facilities. This program has prerequisites based on professional standards. Contact an advisor at the Forest Park campus for further information.

The Respiratory Care Program (Program #200050) offering an Associate's in Applied Science (AAS) degree at the Forest Park campus located at 5600 Oakland Avenue, St. Louis, MO is accredited by the Commission on Accreditation for Respiratory Care (<http://www.coarc.com>) (CoARC).

**Location.** This program is offered in its entirety at Forest Park.

**Cost of Attendance.** For more information on cost of attendance visit MoSCORES (<https://scorecard.mo.gov/Search/>).

**Program Career and Salary Information.** Pursuant to Missouri HB 1606 (2018), information regarding the number of credit hours, program length, employment rate, wage data, and graduates employed in careers related to their program of study at St. Louis Community College can be found at the following URL: <https://scorecard.mo.gov/scorecard/> ([https://www.google.com/url?q=https://scorecard.mo.gov/scorecard/&sa=D&ust=1555536894857000&usg=AFQjCNG1xf3E\\_i2lO96zEytILO-s5xaJCQ](https://www.google.com/url?q=https://scorecard.mo.gov/scorecard/&sa=D&ust=1555536894857000&usg=AFQjCNG1xf3E_i2lO96zEytILO-s5xaJCQ)). Search using School / Program "St. Louis Community College" and choose the degree or credential type of interest.

The following limitations to the data apply: Information provided is based on the most recent cohorts available. Typically, most recent cohorts for wage and completion data are six years prior to the current academic year. Time to complete a program of study varies depending on the number of credit hours students earn per semester.

**Interested in this program?** Start the enrollment process by visiting the Apply to STLCC (<https://www.stlcc.edu/admissions/apply-to-stlcc/>) page.

## At the completion of the program, students are expected to:

1. evaluate data to assess the cardiopulmonary status of a patient and appropriateness of prescribed respiratory care.
2. develop respiratory care plans in a variety of settings and modify if necessary.
3. initiate appropriate therapeutic interventions, monitor patient responses, and modify therapy to achieve goals.
4. promote cardiopulmonary wellness, disease prevention and management, and patient/family/community education.
5. perform diagnostic and therapeutic procedures in a safe and effective manner.
6. apply problem-solving strategies in the patient care setting.
7. demonstrate effective oral and written communication skills.
8. conduct themselves in an ethical and professional manner.

**Missouri Civics Examination.** Students entering college for the very first time in fall 2019 and who intend to complete an associate's degree must successfully complete a civics examination. Information on who is eligible for a waiver can be found on the STLCC website (<https://stlcc.edu/programs-academics/missouri-civics-exam.aspx>).

## Program of Study

Code	Title	Credit Hours
<b>General Education</b>		
BIO 207	Anatomy and Physiology I (MOTR LIFS 150LAP)	4
BIO 208	Anatomy and Physiology II	4
ENG 101	College Composition I (MOTR ENGL 100)	3
XXX xxx	Social & Behavioral Sciences: Civics Requirement	3
Select one of the following:		3
ENG 102	College Composition II (MOTR ENGL 200)	
COM 200	Communication Between Cultures (MOTR SBSC 101)	
COM 117	Health Communication	
PSY 200	General Psychology (MOTR PSYC 100)	3
<b>Program Requirements</b>		
RC 100	Foundations of Respiratory Care	3
RC 110	Cardiopulmonary Anatomy and Physiology	3
RC 120	Respiratory Care Practices I	6
RC 130	Patient Assessment	2
RC 140	Respiratory Pharmacology	2
RC 150	Fundamentals of Respiratory Care II	4
RC 160	Mechanical Ventilation I	4
RC 170	Respiratory Care Clinical Practice I	1
RC 180	Cardiopulmonary Diseases	3
RC 190	Respiratory Care Clinical Practice II	1
RC 200	Adult Critical Care	3
RC 210	Mechanical Ventilation II	4
RC 220	Neonatal and Pediatric Respiratory Care	3
RC 230	Respiratory Care Clinical Practice III	2
RC 240	Respiratory Care Specialties	3
RC 250	Respiratory Care Capstone	4

RC 260	Respiratory Care Clinical Practice IV	2
<b>Total Credit Hours</b>		<b>70</b>

## Program Promotion

A student in the Respiratory Care program must receive a satisfactory (minimum "C") rating in Respiratory Care didactic, laboratory, and clinical courses in order to promote through the program. If a student receives less than a "C" grade in any respiratory care course, the student will be placed on academic probation and the student will not be able to move forward in the program until that course(s) have been completed with a "C" grade or higher.

Students who fail 3 or more courses in a semester will be dismissed from the program and will not be eligible for re-entry to the program. Students with 2 or more "F" grades in a semester will be dismissed from the program and will not be eligible for re-entry to the program. Students must also attain a "C" grade in all math and science general education courses to graduate from the program.

In each combined respiratory care course that has didactic and lab, the student must obtain a 75% or higher grade in the didactic and lab portions to pass the course. A student with <70% didactic or lab grade will have an automatic "D" in the course. A student who has <70% didactic or lab grade will have an automatic "F" in the course.

Lab grades may consist of assignments, quizzes, lab competencies and a final lab practicum. Students must receive "satisfactory" ratings on all required lab competencies. Students are given three total attempts to pass a laboratory competency. If a student fails to receive a "satisfactory" laboratory rating on a competency after three attempts, the result will be a course failure, regardless of the didactic or overall laboratory grade. If a student misses a performance evaluation due to an absence or receives an "unsatisfactory" on their first attempt, it will be up to the student to arrange a time for making up the evaluation in question. Students will not be permitted to complete any other performance evaluations until all previous ones are satisfactorily completed. Failure to satisfactorily complete a performance evaluation in a timely manner may cause a student to receive point deductions for any subsequently missed performance evaluations.

In each respiratory care clinical course, an "unsatisfactory" rating on any skill competency (after two previous unsuccessful attempts) will result in a course failure, regardless of the overall clinical grade.

Respiratory Care Program Requirements Checklist (<https://stlcc.edu/docs/programs/health-services/respiratorycareprogramrequirements2023take2.pdf>)

Respiratory Care Student Handbook (<https://stlcc.edu/docs/programs/health-services/respiratory-care-student-handbook.pdf>)

**Missouri Civics Examination.** Students entering college for the very first time in fall 2019 and who intend to complete an associate's degree must successfully complete a civics examination. Information on who is eligible for a waiver can be found on the STLCC website (<https://stlcc.edu/programs-academics/missouri-civics-exam.aspx>).

**PLEASE NOTE:** If you originally enrolled at STLCC prior to Spring 2024, you may need to view an archived catalog (<https://www.stlcc.edu/programs-academics/course-catalog/>) for your correct program requirements. Please speak with an advisor or the program coordinator for more information.

This plan is a suggested semester-by-semester course schedule. It is designed to keep you on track for a timely graduation. This plan is not a substitute for academic advising. Contact an advisor for further information regarding placement based on Placement exam scores, scheduling, degree requirements, and graduation requirements. **The Respiratory Care Program has additional admission criteria that must be met in order to enroll in the Respiratory**

**courses.** Contact an advisor or the Program Coordinator for specific information.

Additional information is available at <https://stlcc.edu/programs-academics/pathways/health-professions/respiratory-care/associates.aspx>

## Prerequisites to Apply to the Respiratory Care Program:

- English Proficiency can be met by **ONE** of the following:
  - English ACT score of 18 or higher **OR** SAT EBRW score of 500 or higher **within the last 3 years**; or
  - Accuplacer (Next Gen) score of 250 or higher **within the last 3 years OR** high school GPA of 2.6 or higher; or
  - Placement into ENG 101 **OR** completion of ENG 101 with a "C" or higher.
- Reading Proficiency can be met by **ONE** of the following:
  - Reading ACT score of 18 or higher **OR** SAT EBRW score of 500 or higher **within the last 3 years**; or
  - Accuplacer (Next Gen) score of 250 or higher **within the last 3 years OR** high school GPA of 2.6 or higher; or
  - Proof of completion of a 3 credit hour course (100 level or higher) with a grade of "C" or higher from a U.S. accredited institution; or
  - Demonstrate college-level reading competency.
- Math Proficiency can be met by **ONE** of the following:
  - ACT Math subscore of 22 or higher **OR** SAT math score of 540 or higher **within the last 3 years**; or
  - Place into MTH 160 or higher on the Accuplacer **within the last 3 years**; or
  - Completion of MTH 140, MTH 140S, or higher level math with a grade of "C" or higher **within the last 5 years**.
- Science Prerequisites can be met by completing **ALL** of the following:
  - Chemistry: Students must have completed two semesters of high school chemistry with lab **OR** one semester of college chemistry with lab (STLCC CHM 101 or higher) with a grade of "C" or higher **within the last 5 years**
  - BIO 207 Anatomy & Physiology I with a grade of "C" or higher **within the last 5 years** (If BIO 207 was already taken over 5 years ago, BIO 208 may be taken within the last 5 years to satisfy the time frame.)
- Minimum Cumulative GPA: **Students must have a GPA of 2.5** (4.0 scale) in high school or for 15 hours of college work (100 level or higher). **Students with fewer than 15 hours of college credit must have both a 2.5 GPA in high school and a 2.5 GPA in college**
  - 2.5 GPA MUST be maintained while on the waiting list.**
  - GED Applicants:** must have 15 hours of (100 level or higher) college credits with a 2.5 or higher GPA
  - STLCC students with at least 15 college-level credits with a 2.5 GPA:** will have met this requirement, regardless of the GPA at other colleges.
  - College transfer students with fewer than 15 STLCC credits:** must have a cumulative 2.5 GPA in college-level credits earned at all colleges attended.

## Courses to be Completed Prior to Semester 1

Code	Title	Credit Hours
BIO 207	Anatomy and Physiology I (MOTR LIFS 150LAP)	4
BIO 208	Anatomy and Physiology II	4
<b>Total Credit Hours</b>		<b>8</b>

## Full-Time Academic Plan

Code	Title	Hours	Prerequisites	Milestones/Notes
<b>First Year</b>				
<b>Fall</b>				
RC 100	Foundations of Respiratory Care	3	Reading Proficiency	
RC 110	Cardiopulmonary Anatomy and Physiology	3	Admission to the AAS Respiratory Care or BS Respiratory Care Program, BIO 208 with a minimum grade of "C", and Reading Proficiency	
RC 120	Respiratory Care Practices I	6	Program Admission, BIO 208 with a minimum grade of "C", and Reading Proficiency	
RC 130	Patient Assessment	2	Program Admission, BIO 208 with a minimum grade of "C" and Reading Proficiency	
	<b>Credit Hours</b>	<b>14</b>		
<b>Spring</b>				
RC 140	Respiratory Pharmacology	2	Concurrent or prior enrollment in RC 110 with a minimum grade of "C", and Reading Proficiency	
RC 150	Fundamentals of Respiratory Care II	4	RC 110, RC 125, and RC 135 with minimum grades of "C", and Reading Proficiency	
RC 160	Mechanical Ventilation I	4	RC 110, RC 125, and RC 135 with minimum grades of "C", and Reading Proficiency	
RC 170	Respiratory Care Clinical Practice I	1	RC 100, RC 110, RC 120, RC 130 all with minimum grades of "C", and Reading Proficiency	
ENG 101	College Composition I (MOTR ENGL 100)	3	Placement score or ENG 030 or ENG 070 with a grade of "C" or better or recommendation of department and Reading Proficiency or concurrent enrollment in RDG 079	
	<b>Credit Hours</b>	<b>14</b>		
<b>Summer</b>				
RC 180	Cardiopulmonary Diseases	3	RC 125 and RC 140 with minimum grades of "C", and Reading Proficiency	
RC 190	Respiratory Care Clinical Practice II	1	RC 140, RC 150, RC 160, RC 170 all with minimum grades of "C", and Reading Proficiency	
	<b>Credit Hours</b>	<b>4</b>		

Second Year				
Fall				
RC 200	Adult Critical Care	3	RC 180 with grade of "C" or higher, and Reading Proficiency	
RC 210	Mechanical Ventilation II	4	RC 150, RC 160, and RC 180 with grades of "C" or higher, and Reading Proficiency	
RC 220	Neonatal and Pediatric Respiratory Care	3	RC 180 and RC 190 with grades of "C" or higher, and Reading Proficiency	
RC 230	Respiratory Care Clinical Practice III	2	RC 180 and RC 190 with grades of "C" or higher, and Reading Proficiency	
ENG 102 or COM 117 or COM 200	College Composition II (MOTR ENGL 200) or Health Communication or Communication Between Cultures (MOTR SBSC 101)	3	ENG 101 with a minimum grade of "C" and Reading Proficiency	
	<b>Credit Hours</b>	<b>15</b>		
Spring				
RC 240	Respiratory Care Specialties	3	RC 180 with a grade of "C" or higher, and Reading Proficiency	Apply for graduation
RC 250	Respiratory Care Capstone	4	RC 200, RC 210, RC 220, RC 230 all with grades of "C" or higher, and Reading Proficiency	Complete National Board Review Exams
RC 260	Respiratory Care Clinical Practice IV	2	RC 200, RC 210, RC 220, RC 230 all with grades of "C" or higher, and Reading Proficiency	
PSY 200	General Psychology (MOTR PSYC 100)	3	Reading Proficiency or concurrent enrollment in RDG 079	
Social & Behavioral Sciences: Civics Requirement		3		
	<b>Credit Hours</b>	<b>15</b>		
	<b>Total Credit Hours</b>	<b>62</b>		

\*Click on the hyperlinked course number to view additional information about the course.

\*\*Students completing a course that has been assigned a MOTR number may transfer that course to any public institution in Missouri. Those who complete CORE 42 requirements will have that verification on their transcript.

\*\*\* It is your responsibility to verify that the courses listed above will transfer to the four-year institution of your choice. Maximize your transfer credits/classes by meeting with an academic advisor.
